THE ATTIC LOUNGE FAQs

- **What is the Attic Lounge?** The Attic Lounge upstairs room and super cool extension of our Tap Room for reservations and large parties that can't quite fit in our downstairs.
- **Tell me more about the Attic Lounge!** The Attic Lounge is just like our funky downstairs, but it's upstairs.
- **Do I have to pay a fee to hang out in this awesome place?** Nope! Like the best things in life, it's free.
- **How do I reserve a table in the Attic Lounge?** For reservations of 10 or more, the attic lounge is the perfect place for bigger groups that need space. **Text the Tap Room at (705)806-7089.**
- **How many people can I bring to eat in the lounge?** With 2 Beer Hall style tables of 12 people each, there's table seating for 24. Add bar seating and parlor seating, and capacity maxes at 40.
- **Do I get this whole cool room all to myself?** Sometimes. If there are no other reservations, then you get a private party, but we won't guarantee that the lounge won't have more than one group up there.
- **How long can I have the room?** Until close. As long as you're drinking and paying, we're good.
- **Hey, my hockey team/group/cult is in town. Can you accommodate my group today?** Try to give us 24 hours notice. Shoot us text the day before at (705)806-7089.
- **Can I have a business meeting in the Lounge?** No, but you can bring business folks in for dinner or lunch and make a big table reservation if you need it.
- **Can my special group get a private tour of the brewery?** We've found it easier to regulate traffic through our operating brewery if we stick to scheduled tour times. Please visit the Tours page of our website to see what fits your schedule.
- **Do you have a special catering menu?** Nope, but you can order anything your heart desires off our delicious Tap Room & Attic Lounge menu.
- **Can I bring a birthday cake?** Yes! Specialty cakes for the birthday boy/girl, the retiree, or bachelor/bachelorette are cool by us. But we do have delicious desserts daily, too.
- **Can I decorate the room?** This place is so cool, you won't need to. No extra décor is allowed.
- **Is there a bar rail?** Are you kidding? You're at a brewery with 16 different beers. No, we do not serve mixed drinks or shots. We do have select Ontario wines for non-beer drinkers.
- **Can I bring my own booze or wine?** Hell, no. We'd lose our license.
- **Can I rearrange the room?** No. That hurts our feelings.
